

## **Therapeutic Creative Arts Coordinator**

Therapeutic Recreation Center

Montgomery, AL

\$36,284

The Coordinator performs professional recreation work involving the planning and implementation of creative arts activities for special populations of various age level groups. Examples of creative arts includes, but is not limited to, painting, drawing, clay, and performance art. Examples of special populations include individuals with hearing and visual impairments, mentally and physically challenged and individuals with strokes. Employees in this classification receive instructions on the scheduling of classes and on course content from the supervisor, but must exercise independent judgment in the application of specialized knowledge and techniques in the conduct of the work. The employee is primarily tasked with developing modified creative arts activities and programs, teaching creative crafts, maintaining a green house and garden area, ordering and maintaining creative arts supplies and materials, overseeing a recreation aide and volunteers, coordinating events, teams, clubs, etc. and contributing to the Therapeutic Recreation Center's (TRC) objectives.

Qualified applicants will possess a bachelor's degree in therapeutic recreation and one year of experience working in creative arts for individuals with disabilities.

Employees are offered a competitive benefits package which includes health, dental, and life insurance, paid annual and sick leave, paid holidays, and a retirement program.

Additional job information and online application are available at [www.montgomerypersonnel.com](http://www.montgomerypersonnel.com). Applications must be submitted no later than 5 PM CST on December 17, 2018.
